

Robin's Nest of Indy, Inc. Volunteer Interest Form

Thank you for considering becoming a volunteer with Robin's Nest. We care primarily for pregnant or nursing cats and abandoned litters of kittens and need volunteers that want to help with that. We also often have need for fosters for adult cats recovering from surgery or illness. Other volunteer opportunities include Partner Store kennel assistance, transportation, adoption events and more. No experience is necessary to be accepted as a volunteer.

Fostering is a rewarding and fulfilling way to volunteer. It does, however, require sacrifice of time and space in your home. All fosters are required to complete a foster training, which requires approximately 2 hours of your time.

If you feel volunteering is right for you, please complete the following interest form and you will be contacted regarding next steps.
